Artikelnummer: EDU-VS-LAB

Preis zzgl. MwSt.:

Kurskategorien: [vSphere & vSAN \(Server & Storage\)](#)

Kursbeschreibung

This intensive hands-on session is designed to reinforce and apply the theoretical knowledge gained in the VMware vSphere self-paced course. Through guided lab work and expert-led exercises, participants will gain practical experience configuring, managing, and troubleshooting key vSphere components.

Duration

2 Days | Format: Instructor-Led, Hands On **ONLY**
